working together
for you.**

Discover the world-renowned
physicians of Weill Cornell Medicine

Discover what sets us apart

At Weill Cornell Medicine we know that innovation is the best medicine.

As an academic medical institution, our physicians are leading research to develop new therapeutics for the most successful patient outcomes.

Teamed up with a leading hospital system

Weill Cornell Medicine doctors are attending physicians at NewYork-Presbyterian, one of the top-ranked hospitals in the nation.

As a patient, you have access to the strongest network of medical expertise and world-class facilities.

 **NewYork-Presbyterian**

“ We bring together
the world’s leading
scientists and doctors to
provide evidence-based
life-saving treatments directly
to you. Our physicians are
invested in your health and
provide compassionate
individualized care. ”

Adam R. Stracher, M.D.

Chief Medical Officer and Director of
Primary Care, Physician Organization
Associate Dean, Clinical Affairs

Compassionate care wherever you are

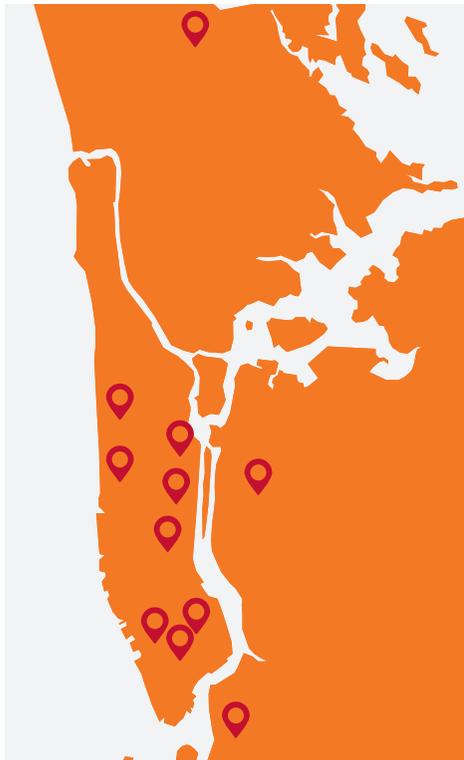

In addition to our state-of-the-art facilities, we offer on-demand online care when you need it most. Our comprehensive

suite of virtual Digital Health Services means that managing your — and your family's — health is easier than ever.

We offer video visits, virtual urgent care, online second opinions, and the Connect patient portal which provides a direct link to help you manage your care.

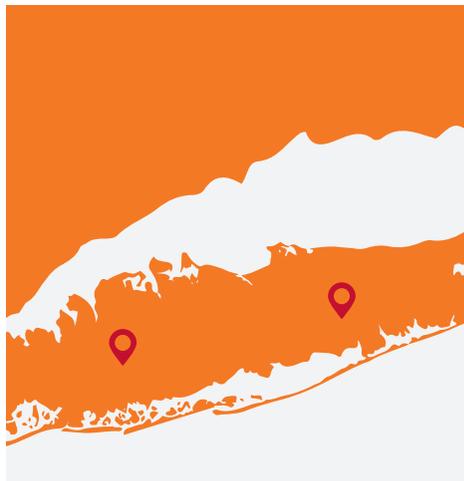

We are here for you, wherever you are

With Weill Cornell Medicine, you get the most advanced health care the way you want it, where you want it.

Our offices are conveniently located in Manhattan, Brooklyn, Queens and Westchester, as well as in Nassau and Suffolk Counties.

Better health starts with the best doctors
